CIEWS OF ANOTHER COLORED STATESMAN.

Washington, D. C., Oct. 30, 1888.

My Dear Sir,-Your letter of yester-

R. L. Singleton, Esq., President, etc.:

day touching the unfortunate condition of political affairs in your time-honored

stronghold of Republicanism, the Fourth congressional district of Virginia, is be-

fore me. My reply shall be sincere and

brief. I am opposed to the election of Hon. John M. Langston to a seat in

Congress from that district for the very

simple and proper reason that he is not

ston uttered his unfortunate declaration

condary ones, a few of which I may briefly refer to.

Mr. Langston's printed utterance,

I remember that James L. Bowen, a

most reputable colored physician, begged

the place of a ward doctor at his hands.

Bowen was a graduate of medicine and had had several years' experience in the

practice. Instead of helping that poor negro he gave the appointment to a

### BASIC CITY.

The Causes Which Have Led to Its Magie Growth.

BEAUTIFUL SITUATION. Sheffield.

Endowed by Nature and Art in the Levely Shenandoah Valley.

WEALTH AND HEALTH.

A Handsome Hotel, Industrial Enterprises, and Residential Sites, Etc., Etc.

Basic City, Va., October 21, 1890. Look at the azured contour of the Blue Ridge throughout its whole length, and just where the dip touches nearest the emerald valleys, reaching towards it, stick a pin-that is Rockfish Gap. Think

as a railroad centre will have added preeminence; so that there can be no budge about Basic. A thousand miles of cuts and fills bend towards her; a thousand miles of iron spikes nail down twice a thousand miles of steel rails reaching, through exhaustless beds of coal and iron, this goal; the contributions of science, years of arduous toil, millions of dollars it took to bring and kuit together this great consummation at this western

From distant regions fortune sends An odd triumvirate of friends.—Swift.

Exempli gratia, the Chesapeake and Ohio, the Norfolk and Western, and the Baltimore and Ohio railroads. Seeing the marvellous strides this Shenandoah country is making towards her material triumph a reminiscence of the forties and fifties may not be amiss. In those good old days "Commodore" Zack Raines was a conspicuous character upon the Shenandoah river, heading the leader of a fleet of flat boats laden with iron from Miller's down that sinuous stream to Harper's Ferry, thence down the Potomac and over the falls above Washington to that city by hook or by crook, and hence the expression,

the great canyon of the Alleghany mountains, the prominent topographical features of the two Virginias, look towards one point; the vine-clad hills of the Piedmont region touch it; the two great.

That the furnaces at Basic City can place iron in Pittsburgh or New York at \$3 am speaking to colored men, and have devoted fifty years of my life to the welfare of colored people. My first thought is, and I hope it will commend the product of Piedmont region touch it; the two great the most eminent authorities; that the fitself to you, that neither you nor I southern trank lines of railway, the supply of brown hemitite ores, assaying should determine our political action by and Western taking the hint come to and Western, taking the hint, come to the same conclusion, at the same place.

45 to 55 per cent, metanic for, in areas any described against color. To look at the contention in the Fourth district of Virginia wisely limitless, is a scientific demonstration.

forsooth, of the oyster-beds and shad preserves of Chesspeake bay; between the total coal and coke these all, up in an atmosphere which, over the Norfolk and Western was a while laving your brow, is painting your hundred thousand tons in round while laving your brow, is painting your cheeks. Well within, withal, the embrace of the mineral belt, within hearing of the sighs of their primeval forests, and at the embrazure of the new South's constant of the Noriok and Western was a mad maintains that great safeguard of the liberty of every American citizen.

It is that party under its tried and approved leaders in Virginia which makes it possible for you in the Fourth district this road were 4,735 tons; in 1889 the of that State to vote. You know and I GREAT BOOM.

If you would locate Basic City more precisely, you may, in propria persona, by a three hours' ride from Washington city over the Chesapeake and Ohio, right at the western base of the Blue Ridge. If you and your sweetheart, by mistake take different routes from Memphis, north, to some Gretna Green, she will inevitably cross you and may give you a from the orange-groves next spring you find yours and your friend's tickets start out divergently, you may safely say to him: "I'll see you at Basic City"; elect as you will touching competitive roads between New York and the Mississippi Valley your invoices will find, in trans-itu, Basic City; the western hog and go east thro' the transverse gates sjar at this place. On this superb

VANTAGE-GROUND

Basic City was founded in May, 1890, and is therefore five months old ! Within a few days—less than a week—from admiration is literally wrenched from the incorporation of the Mining, Manu- me. Aside from other considerations, facturing and Land Company, the prime movers in this vast enterprise, he whole of the capital stock of \$700,-000 had been taken and the place given active headway. To-day the plants here well on towards completion represent, it is fairly assumed, millions of dollars. Among others one of the very handsomest hotels I have ever seen, THE HOTEL BRANDON.

From beyond the river, miles away, this exquisite piece of architecture, with ue Ridge as its background, looks like a charming picture whose colors had been borrowed from the prospective of some Scottish highland. A hundred-ton blast furnace, immense car-works, a facmaterials, aggregating a frontage of 750 feet—to employ 500 hands; paper-, furniture-, and match-factories—spleudid enterprises, all of them; the School-Furniture Company's works employing 400 hands, their buildings covering three acres; a factory for the manufacture of knit and woven goods, giving employ-ment to 100 hands, are establishments. I mention as occurring to me offhand. se, with the many residences, stores, the Advance newspaper office, bank buildings, exchange, school, Normal College, other and numerous edifices, etc., show a record for Basic City in the pitcher, tho', of the matter of town-building

WITHOUT A PARALLEL. When we see this country doubling her millions of peoples as the years rush by it behooves the wise man to look about him for a place where he may safely risk his savings, so that when the house is full his seat will have been and then the band may play. Basic City courts the closest scrutiny of

The management of this place is masof all classes, comprehensive. The results will be permanent ; you had better catch on. Cities nowadays that go up to stay up must have these builders; An nce of cheap feed and fuel raw materials, and railroads. Concerning the latter, the Chesapeake and Ohio and the Norfolk and Western, the great common-carriers south of Mason & Dixon's line, cross each other at right angles and

A COMMERCIAL BOW-KNOT in the heart of Basic City. These two roads give her the benefit of competitive rates to all points, but with the completion of a ten-mile link. for which the charter has been obtained and the survey made, the will have within her corporate limits the Beltimore and Ohio, when her position

" A GEORGETOWN GRAZER."

The iron, while of the best quality, was high, because for its reduction they had to use charcoal and in its transportation a mule team, an ox-cart, or a flat- the prejudices on either side which of the Appalachian system, and you will remember that Nature has furrowed but one way through its two hundred and fifty miles of mountain barriers, and that its eastern outlet is—where you may stick another pin and strike the same place—at Basic City, Va. The fertile valleys and the great canyon of the Alleghany mountain barriers are successful.

richest, fairest land having a trend to-wards our Atlantic coast, north of the romalate Philadelphia Press: "But the between the different varieties of citi-

reach of pestilential fevers, south of the frozen six months. Well, so far south that when Boreas strikes you it's with a "scuse me" kind of lick; east of the solution wildering winds and droughts of hot withering winds and droughts of the West"; west a hundred miles, to the West"; west a hundred miles, to the West"; west a hundred miles, to the colored man's political hopes and shad Pennsulvania," Certainly, In 1883 shad Pennsulvania," Certainly, In 1883 shad properties for the colored man's political for a designing hypocrite having an axo the great principles of justice, liberty, and humanity for which it stands, and which at present must fall or flourish with it. I recognize the Republican or a designing hypocrite having an axo the early itself simply as a machine, but for the sake of the great principles of justice, liberty, and humanity for which it stands, and which at present must fall or flourish with it. I recognize the end that thrift of some sort might that the the end that thrift of some sort might the end that thrift of some sort might of the colored man's political hopes and the colored man's political hopes and the ark of his safety. It was the party

Lucinda Hairston (colored). Who he ore regions can be considered in beond the initial steps of development." lasic City is at the conjunction of the two great southern coal-, coke-, and iron-carrying roads—the one coursing the Kanawha and New-River coal-fields nd piercing the iron mountains of West Virginia; the other bringing to us on a gravity pull, almost, exhaustless supmost carefully cantious. I am not inter-

hontas, Bluestone, and Elkhorn districts, in the last of which may be included the Flattop region, where alone there are 162,000 acres "actually underlaid with wear conviction upon the minds of the ested to the extent of a stiver in the rise or fall of any town North or South, but so splendid is the history, so brainy the management, and so marvellous the growth of this game city that enthusiastic right here is a climate where it is luxury to live. Under the sun there is no lovelier land, none more fertile, none more picturesque than the Shenandosh Valley. As the bright correspondent of the Financial Reporter says: "It is as good as Chester Valley or Pequa Valley, or Lancaster or Bucks counties, in

Pennsylvania ; just as good as any part any part of New England for farming, grazing, or fruit purposes, &c. Let me say that in my opinion lands quite as good as those indicated above can be bought within an hour's ride of Basic City at much less than half the prices they would bring.

The waters of South river, not limpid because blue, course round the western and run through the eastern limits of the city, catching as they purl the mountain brooks from the hills hard by. It is spanned within the corporation by

THREE IRON BRIDGES. On the bluff west of this stream there are for sale some building sites whose scenic surroundings are ineffably grand. It seems to me a man would b happy with a villa there, a Whitehall

LITHIA WATER which wells up through white grave 600 gallons a minute—more than a mil-lion gallons a day—and is piped into a reservoir on an eminence overlooking the city. Values have been doubling here faster than new moons come and, in many instances, have quadrupled since May last. The soil is a fertile admixture of clay-marl and sand, is consequently absorbent, and therefore free from malarial influences. The drainage, a prime consideration, is perfect. The streets and avenues are broad and hand-some, having been graded by skilled enineers. Cosmopolitan Basic has her atch-string hung outside the outer door and heartily asks your coming.

The Basic-City Land Improvement Company have advertised a large lot sale, which is to take place on December 2d and 3d. At this sale a number of their choice residence and building lots will be put up at public auction,

Leonard Heights? onard Heights, Jackson Brandt & Co., Agents,

# BOLTER LANGSTON.

WHAT FRED DOUGLASS SAID OF HIM TWO YEARS AGO. Extracts from the Papers in the Venable

than those of many other men who oc-cupy seats in the national Congress, but I do say that they have been such as to justify the colored citizens of the Fourth Contested-Election Case.

[Frederic Douglass's views in respect to Langston.—Letter of Frederic Douglass in reply to a letter from some of the leading colored men of the Fourth congressional district asking his opinion as to John M. Langston a ability as a for the vice-president Gentlemen, —I have duly received for the vice-presidency; his coqueting with the Democratic party; his leaning leader, &c.

your respected letter of the 14th instant towards a divison of the negro vote; and have carefully and thoughtfully read | James G. Blaine at the head of his paper its contents. The subject upon which in Virginia while he frantically shouted you invite an expression of my opinion for Sherman at the Chicago convention. is both grave and delicate. It is so for clearly with the motive of making himself two reasons. First, because it is a col- secure in the good graces of one or ored person and respects the part that a trickster. And, above all, the insolent color, it is thought, should play in the selection of a candidate to represent force his nomination by threatening the you in the Fifty-first Congress of the Republican party with division by run-United States.

It is so secondly because it is a matter which especially concerns the citizens of the Fourth district of Virginia. is this question of color, with Basic city, va.!

If the reader will observe the map of the State he will remark that this place is situated at about—at, to be emphatic—the longitudinal centre of Augusta county, the most opulent agricultural district in and the central county of the famous Shenandoah Valley—the most healthful, richest, fairest land baying a trend to-

> The other point of difficulty already referred to is that I am and will be called an outsider. I shall be denounced for meddling with a matter that does not concern me and you will be de-nonneed for calling upon me to take part in this controversy. This last reproach, however, to both you and me will be successfully rebutted and neutralized by the fact that the party from whom censure may be apprehended has whom censure may be appreciated as himself, far in advance of you and me, taken his contention beyond the limits of this district and the State lines of Virginia. He has appealed to the national Republican party to help him in his fight for congressional honors. His applied to the property of the moment of Judge Arnold for the position in question. From the moment Mr. Langston in the property of the property of the property of the party for that office, and being myself a strict party man I unhesitatingly advise all good Republicans, without regard to Judge Arnold for the position in question. From the moment Mr. Langston in the party for that office, and being myself a strict party man I unhesitatingly advise all good Republicans, without regard to Judge Arnold for the position in of Judge Arnold for the position in the party for that office, and being myself a strict party man I unhesitatingly advise all good Republicans, without regard to Judge Arnold for the position in of Judge Arnold for the position in the party of the party man I unhesitatingly advise all good Republicans, without regard to Judge Arnold for the position in the party for that office, and being myself a strict party man I unhesitatingly advise all good Republicans, without regard to Judge Arnold for the position in the party for the party fact that he is a Republican does not go to the effect that he should press his far in his favor, for perhaps there is not candidacy for Congress, whether nomione of his competitors less sound as a Republican than he. The superiority of his claim rated or not by the Republican convention, I have classed him with the bolters, his claim rests solely upon his color.
> His fidelity to the party would hardly bear comparison with that of other can-

COURT ORDERS.

COMMISSIONER'S OFFICE, RICHMOND CITY, October S, 1880. J

JOHN H. GUY AND N. W. BOWE, trustees, under a deed dated October S, 1887, from Dunlop & McCance and others.

from Duniop & McCance and others.
Against
Frank D. Duniop, administrator of benis nen
of James Duniop, deceased; Thomas W.
McCance, Jr., administrator of the estate of
Thomas W. McCance, Sr., deceased; J. R. V.
Daniel, administrator d. b. n. c. t. a. of the
estate of Henry W. Moncure, deceased; the
Duniop & McCance Milling and Manufacturing
Company, the Richmond and Allegrany Hailroad Company, E. O. Nelting, Warner Moore,
E. C. Minor, Surviving trustee, &c., and Charles
H. Simpson, surviving partner of the late firm
of Simpson, Bass & Co., and W. L. Moody. IN CHANCERY.

His insurance is \$500 under that amount.

Lucinda Hairston (colored), who hails from the Hairston neighborhood, in Henry county, has been jailed at Martinsville on the charge of having murdered her infant child, which was illegitimate and only a week old.

DECENTLY BURIED.

"Mike," a pet dog belonging to City-Sergeant Boisseau, was run over and killed by a fire-engine last night.

The dog was a great favorite with the department, and was given a decent burial by the boys.

HEWLETT'S DEMOCRATIC CLUB.

A Full Meeting Addressed by Mesars. R. H. Cardwell, Wood, and Brower. 160 reproduces of the Richmend Dispatch. 16 Hewlett's Democratic Club. There was a grand rally here to-night of the Hewlett's Democratic Club. The meeting was called to order by Chairman Fenton Nolan. The roll was called and every member answered to his name. Many new names were enrolled. A committee was appointed to see that every man in the district was properly registered and transferred. After the routine business the Chair stated that he congratulated the club upon having previation and and Allechany Railroad Company and the congratulated the club upon having previation of the count stated that he congratulated the club upon having previation of the count of the property of every described count of a Hanover audience; that man was the Hon. R. H. Cardwell.

A MODEL SPEECH.

Mr. Cardwell was enthusiastically greeted and for more than an hour fairly greeted and for more than an hou

TO ALL PARTIES INTERESTED. TO ALL PARTIES INTERESTED.

Take notice, that I shall proceed, at my said office in the city of Richmond, in the State Bank building, on THURSDAY the 6th day of November, 1890, at the hour of 10 A. M., to execute the requirements of the above decree, when and where you are required to attend.

JAMES M. MATTHEWS,

Commissioner in Chancery.

THE OLD DOMINION BUILDING AND LOAN ASSOCIATION, RICHMOND, VA.

EDWIN BOOTH GOT ANGRY.

A Western Manager Called Him "Ed" and it Riled Him.

Edwin Booth has enough dignity to equip a dozen tragedians. The most bumptious managers usually quail under his calm gaze, says the Chicago Heruid.

He has been known to reduce the swelled head of a leading juvenile in one.
